

Equipment for a successful aquarium!

SuperFish

SUPERFISH AQUA 20 KITS

COMPLETE AQUARIUM KITS

Easy to install and therefore ideal for the first time aquarium enthusiast. For goldfish, guppies, shrimps and tropical fish. Includes everything you need to set up your hobby; you only have to add water, fish, gravel and plants!

NEW!

AQUA 20 GOLDFISH KIT

35 x 22,5 x 23,5 cm ~ 18 L

Supplied with:

- 9 Watt Compact lighting
- Aquaflow 100 internal filter
- Fish net & Thermometer
- Colombo water preparation
- Hikari goldfish fish food

AQUA 20 JUNIOR KIT

35 x 22,5 x 31,5 cm ~ 18 L

Supplied with:

- 9 Watt Compact lighting
- Aquaflow 100 internal filter
- Colombo water preparation
- Hikari Micro Wafers
- Fish net & Thermometer

Free background poster! All aquarium kits come with a beautiful background to create a nice looking aquarium!

SUPERFISH QUBE

PANORAMIC OPEN TOP AQUARIUM

With its modern, curved-glass panorama view design, the Qube is an attractive addition to every room at home or at work. The Qube can be stocked with goldfish, fantails or small tropical fish, or you can simply use it for water plants.

Qube 15

SUPERFISH QUBE 15

25 x 25 x 25 cm ~ 15 L

Supplied with:

- Aquaflow 50 internal filter
- 9 Watt Ultra Safe light kit

Qube 25

SUPERFISH QUBE 25

30 x 30 x 30 cm ~ 25 L

Supplied with:

- Aquaflow 100 internal filter
- 11 Watt Ultra Safe light kit

Qube 40

SUPERFISH QUBE 40

33 x 33 x 40 cm ~ 40 L

Supplied with:

- Aquaflow 100 internal filter
- 18 Watt Ultra Safe light kit

In our modern heated and isolated environment humidity often is too low. An open aquarium increases humidity, resulting in a healthier environment.

SUPERFISH PANORAMA 40

AQUARIA WITH A PANORAMA EFFECT

Attractive aquarium with curved glass (panorama view), which is highly decorative and creates a panorama effect. Easy to set up and ideal for both novice and experienced aquarium enthusiasts.

PANORAMA 40

29 x 27 x 27,5 cm ~ 25 L

Supplied with:

- Aquaflow 100 internal filter
- 11 Watt dual colour lighting

Panorama 40 and 60
are available
in 3 colours:
black, silver and grey.

SUPERFISH PANORAMA 60

PANORAMA 60

47 x 33 x 33 cm ~ 55 L

Supplied with:

- Aquaflow 200 internal filter
- 11 Watt dual colour lighting

AQUARIUM CABINETS

For the Aqua 20, 40, 60 and Qube 15, 25 and 40 there are convenient aquarium cabinets available in various colours, they offer extra storage for your aquarium accessories.

DECORATION

SUPERFISH EASY PLANTS

Artificial plants made of superior materials copying the natural beauty of real plants and are easy to use and clean. Easy plants are self sinking for easy planting.

AQUARIUM BACK GROUND

Back ground with root design. Colour fast and non-toxic for a long life use. Fits exactly in your preferred SuperFish aquarium.

SUPERFISH NANO WOOD

Ceramic with artificial moss, very decorative for smaller tanks

NEW!

SUPERFISH MOSS DOME

Easy, self sinking dome to hold moss and other creeping foreground plants.

NANO DECO BALL

Artificial look alike moss ball, attractive for all aquaria and available in different colours.

DECO ROCK ORNAMENTS

SuperFish Deco Rock are natural looking ornaments for aquarium decoration. These decorative rocks provide shelter for your fish. Suitable for freshwater and saltwater aquariums and 100% safe for fish and the aquarium ecosystem.

FISH HOME ORNAMENTS

The SuperFish Fish Home ceramic ornaments are perfect shelters for your aquarium or terrarium inhabitants. Suitable for freshwater and saltwater aquariums and 100% safe for fish and the aquarium ecosystem.

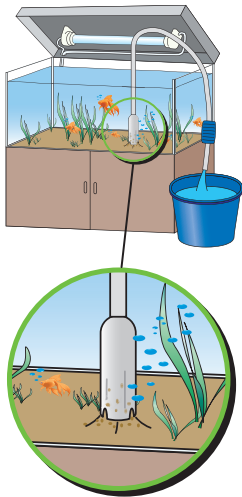

CLEANING EQUIPMENT

Useful accessories for easy maintenance of your aquarium. SuperFish develops various tools to help you clean your aquarium. With these tools you can enjoy a succesful aquarium hobby.

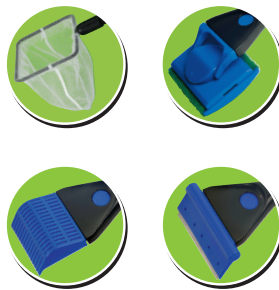

SUPERFISH AQUA SIPHON

Handy water siphon for water changes and removing the dirt from the bottom of your aquarium.

SUPERFISH AQUA TOOLS

4 in 1 Aquarium cleaning set consisting of a fish net, algae scraper, window sponge and a gravel rake, makes aquarium maintenance as simple as can be.

SUPERFISH GRAVEL CLEAN

2 in 1 aquarium cleaner. For doing water changes and cleaning substrate and or windows.

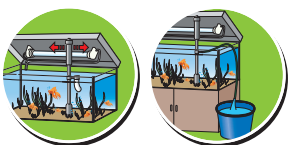

Due to the easy auto start system (by moving up and down water will flows automaticly) a really easy to use gravel cleaner

SUPERFISH AQUAVAC

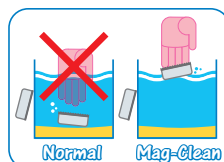

Remove the dirt from the bottom of your aquarium. Works on 2 batteries.

1. On/off switch
2. Hanging brace
3. Water level marking
4. Connection filter bag and siphon
5. Adjustable height
6. Gravel cleaner

SUPERFISH MAG-CLEAN

A magnet glass cleaner is indispensable for aquarium keeping, with this floating model there is no need to get wet hands.

INTERNAL FILTERS SUPERFISH AQUA-FLOW

A filter removes pollutants from the aquarium and breaks them down by the bacterial action in the filter, so the water remains healthy. Internal filters are compact and especially for small aquaria.

EASY CLEAN CLICK SYSTEM

The Easy Clean click system makes filter cleaning easy, you can clean or replace the filter media every month in almost no time.

DUAL-ACTION FILTER MEDIUM WITH ACTIVATED CARBON

Active carbon removes organic contamination, chemicals and dyes from the water. The 100% open structure filter foam provides optimal filtering and bacteria housing.

DUAL ACTION

TECHNICAL INFO AQUA-FLOW

	L/h	Aquarium cont.
Aqua-Flow 50	0 - 100 L/h	0 - 50 L
Aqua-Flow 100	50 - 200 L/h	50 - 100 L
Aqua-Flow 200	200 - 400 L/h	100 - 200 L
Aqua-Flow XL	250 - 500 L/h	100 - 200 L
Aqua-Flow 400	200 - 800 L/h	200 - 400 L

SUPERFISH AQUA-FLOW EASY CLICK CASSETTE

For the Aqua Flow internal filters there are handy cartridges available. Replace the filter cartridge of your Aqua-Flow filter every month. The sponge and the active carbon in the Dual Action filter cartridge become saturated while in use. A replacement cartridge restores optimal filter performance.

SUPERFISH AQUA-FLOW XL

New large internal filter with Bio Action cartridge, waste products and harmful substances are decomposed very effectively. Perfect filtration for tropical and cold-water aquariums in three steps:

1. Optimal mechanical filtration with 100% open structure filter foam.
2. Active carbon removes organic contamination, chemicals and dyes from the water.
3. Crystal-Max porous filter medium acts as a sponge for micro-organisms.

CRYSTAL CLEAR CARTRIDGES

Use this special filter cartridge for glass clear water and prevention of algae growth. The unique filter media exist of 100% open structure filter foam in combination with Norit® Active Carbon, Cleanwater®, Zeolite and Active Alumina. It removes all colouration, ammonia and phosphates from the aquarium water. For maximum results replace cartridge every month.

SUPERFISH BACTUUR GEL

Live bacteria that boost the biological activity of your aquarium filter and help to keep your aquarium and fish healthy and clean. The filter bacteria are captured in gel that sticks to your filter sponge and media for optimal performance.

EXTERNAL FILTERS SUPERFISH AQUA-PRO

A filter removes pollutants from the aquarium and breaks them down by the bacterial action in the filter, so the water remains healthy. External filters are bigger, easy to clean and designed for large aquaria.

QUICK START SYSTEM

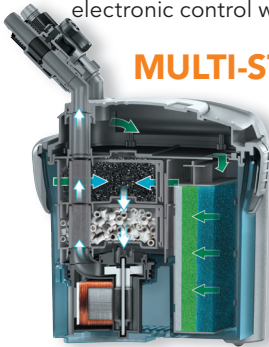

Fill the filter bucket with water up to the indication inside, close the filter head and plug in the unit to the power mains, now the pump and electronic control will run and automatically fill up the unit, fast and easy.

MULTI-STAGE-FILTRATION

Different filter media trays ensure optimal biological activity!

Unique design, motor pump in the bottom part.

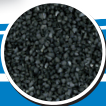

Easy start, less noise and less maintenance.

TECHNICAL INFO AQUA-PRO

	L/h	Volume	Power	Aq. cont.	
Aqua-Pro 200	800 L/h	5 L	16 W	100 - 200 L	25 x 27 x 35 cm
Aqua-Pro 400	1000 L/h	6.5 L	20 W	200 - 400 L	25 x 27 x 40 cm
Aqua-Pro 600	1300 L/h	8 L	28 W	400 - 600 L	25 x 27 x 45 cm

CRYSTAL CLEAR WATER

Supplied complete with filter media!

AQUA PRO PRE FILTER CARTRIDGE

For the Aqua-Pro external filters there are handy cartridges available. Replace the filter cartridge of your Aqua-Pro filter every month. A replacement cartridge restores optimal filter performance.

SUPERFISH FILTER PADS

Special filter pads, easy to cut into the right shape and size for each filter. Carbon removes organic contamination, chemicals and dyes from the water. Zeolite absorbs ammonia and other toxic waste. Filterpads coarse and fine remove coarse dirt particles.

SUPERFISH NORIT® ACTIVATED CARBON

The best filter carbon available. It quickly absorbs dyes and toxic substances from the water without affecting the pH value. The result is clear, healthy water. Suitable for freshwater and marine aquariums.

SUPERFISH CRYSTAL MAX

A very porous filter medium made from glass. It acts as a sponge for microorganisms. Waste products and harmful substances are decomposed very effectively.

SUPERFISH CRYSTAL CLEAR

This unique filter media is a combination of Norit® Active Carbon, Zeolite, CleanWater® and Active Alumina. It removes all coloration, ammonia, nitrate and phosphates from the aquarium water. The result: Crystal clear healthy water and less algae growth.

SUPERFISH PEAT PLUS

For reducing the pH level in freshwater aquariums. Peat Plus slowly releases acids and other natural substances into the water. This reduces the pH, KH and GH levels.

SUPERFISH BIO BALLS

Bio Balls are specially designed to have a large bacteria adhesion surface, which provides optimal biological performance. Bio Balls are highly wear resistant and have an unlimited service life. Suitable for freshwater and marine aquariums.

AQUARIUM ACCESSORIES

There are many useful accessories that can make your aquarium hobby even easier and more fun.

SUPERFISH HEATERS

Very safe submersible aquarium heater with 2 mm safety glass and protector. Supplied with extra long cable for easy installation. Temperature control on top of heater for precise setting.

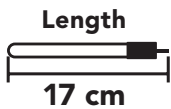

Aquarium cap.	+ 5°C	+ 10°C	+ 15°C
25 L	25 W	25 W	50 W
50 L	25 W	50 W	50 W
75 L	50 W	75 W	75 W
100 L	75 W	100 W	150 W
150 L	100 W	150 W	200 W
200 L	150 W	200 W	300 W
300 L	300 W	300 W	2x200 W

Recommended power: 1 Watt per liter aquarium contents.

SUPERFISH NANO HEATER

Ultra short heater, only 17 cm long for mini aquariums up to 50 litres.

SUPERFISH MINI HEATER

Submersible mini heater for small aquariums up to 50 litres. Preset at 26°C. Ideal for tropical fish, safe and easy to use. Decorative oval shape for perfect fitting in small aquariums.

SUPERFISH AIR PUMPS

Ultra safe air pumps designed for aquarium use. Each pump comes with a free replacement membrane to ensure longer use.

	L/h	Aquarium cont.	Outlets
Air-Flow mini	78 L/h	0 - 50 L	1
Air-Flow 1	96 L/h	0 - 100 L	1
Air-Flow 2	240 L/h	0 - 250 L	2
Air-Flow 4	600 L/h	0 - 600 L	4

SUPERFISH AQUA-POWER

Aqua-Power pumps are ideal for pumping or circulating water in aquariums, indoor fountains, biological filters and other applications. Aqua-Power circulation pumps are designed for fully submerged use.

	L/h	H max.	Power
Aqua-Power 200	200 L/h	0.65 m	3 Watt
Aqua-Power 400	380 L/h	0.90 m	7 Watt
Aqua-Power 700	690 L/h	1.25 m	10 Watt

SUPERFISH AQUATIMER

4 way socket extension with double timer especially for aquariums. Two timer operated sockets for aquarium lighting, CO₂ equipment, air pump, etc. Two sockets with continuous voltage for filter pump and heater.

NEW!
